

## Fred Greenslade Scholarship

In honour of Fred Greenslade, the first president of the Mayne Island Lions Club, the Mayne Island Lions Club offers a post-secondary scholarship to Mayne Island students graduating from secondary school. The scholarship amount is determined by the fund-raising efforts in a particular year and the distribution of funds to other worthy projects.

The Mayne Island Lions Club invites Mayne Island secondary school graduates who plan to pursue a post-secondary education to apply for a \$1000 scholarship. The scholarship has been adjusted to a single payment of \$1000 per year.

---

Applicants will be judged on academic performance, school and community involvement (doing service), and recommendations from school and/or community personnel.

The application should include:

1. A letter indicating the applicant's intentions, for post-secondary education and involvement in the school or community.
2. Transcripts for the previous 2 years (or have them forwarded from the school ).
3. Letters of reference from school personnel and, if relevant, community members.

A committee from the Mayne Island Lions Club will select the recipient. Committee members who are direct friends or family members of an applicant will be excluded from final decision process.
